A Difference!*

Hands up for Haiti
Heal Teach Support

Our Mission

Hands Up for Haiti delivers lifesaving healthcare to the sickest and most impoverished people of Northern Haiti.

Our Vision

Haitian Run + Haitian Led =
Lifesaving Programs that Build a Better Future.

How We Do It

"Sante Kominote"- Community Based Health Care delivered by hands on the ground, in collaboration with helping hands from neighbors to the north.

For HUFH,
Haitian Run + Haitian Led is the
only way to achieve lifesaving
programs that build a better future!

Haiti Run + Haitian Led

Our staff of 40 Haitian medical and lay professionals delivers lifesaving programs to their own communities in the way that they know best.

Mobile Sante Medical Outreach

Our staff runs outreach clinics in four communities each month and treats over 100 patients each day.

Travaye Santè Kominote ("TSK") Community Health Worker Program

As trusted members of their communities, our specially trained TSKs identify vulnerable children and adults and work directly with families to improve health.

Dozens of
Communities

A Decade
of Impact

Thousands
of Lives

- Medika Mamba Malnutrition Program
- Helping Babies Breathe/Survive: Newborn Resuscitation Program
 - Prenatal Care, Nutrition and Education
- Clean Water Project: Building and Maintaining Water Wells
 - Saving Vision/Preventing Blindness
 - Hypertension Screen and Treat
- Pediatric Emergency Fund: Hospitalization and Surgery
 - Cervical Cancer Screen and Treat

= Lifesaving Programs that ...
... Build a Better Future!

Professional Education and Training

Our visiting teams of doctors, nurses and lay volunteers work alongside our Haitian staff, offering advanced training in medical techniques, mentorship and one-to-one education.

Global Health Program

HUFH provides a meaningful global health experience for young doctors and nurses in training to help inspire and prepare the next generation of healers.

"Building a Better Future" Fund

Tuition assistance for HUFH staff who embark on a course of study or skills training that will directly benefit HUFH's mission, vision and program delivery.

Decade of Hope:

Over the past 10 years, hundreds of volunteers have traveled with HUFH to support our staff on the ground and help them deliver care to medically underserved communities. Today, HUFH supports multiple program sites, serving about 50,000 people, many of whom live in extreme poverty on less than \$2/day.

The Key to Our 10 Year Milestone?:

More than just "parachute" service delivery or disaster response, HUFH invests in deep-rooted relationships that empower Haitian professionals to affect lasting and positive change in their communities.

The Next 10 Years and Beyond:

Inspired by the strength, hope and resilience of our Haitian staff, we will continue to provide support, education and guidance to them as they lay the groundwork for even greater impact.

Thanks to generous donors like you,
Hands Up for Haiti
has brought a decade of hope to the
families northern Haiti.

- Over 60,000 children and adults have been treated in our clinics over the past decade.
- Over 600 severely malnourished children are treated in our Medika Mamba program each year.
- More than 700 birth attendants and 300 medical professionals have been trained in our Helping Babies Survive program.
- More than 120 women at a time are enrolled in our prenatal nutrition and education program.
- 14 water wells have been built and are maintained in good working order, providing clean water to an estimated 56,000 people.
- 225 adult patients are currently enrolled in our hypertension clinics.
- Over 500 children have received life-saving medical care through our Pediatric Emergency Fund.
- More than 2500 women have been screened and about 200 treated for cervical cancer.
- Over 1500 patients have been screened for vision and blindness prevention.
- Nearly 1000 volunteers from the US and Canada have volunteered in HUFH medical missions.
- And with your continued support the future is brighter than ever.
